November 2025

Forty Lane - JPD have partnered up with an overseas investor looking to shape up the London property market. With JPD leading the design and construction process, we are able to commence demolition and structural works within 2 weeks of being appointed. Our collaborative approach ensures the best quality while being budget aware. Keep an eye on this amazing development. More news from site soon.

Success Stories

We always value hearing from the clients we have worked with, Monika Oomen's experience truly reflects the care, support, and commitment that guide everything we do. Here's a quote from what she had to say -

"What really stood out to me throughout this project was the sense of trust and calm JPD brought to the process. You were clear and consistent in your communication, always thinking ahead and offering practical, thoughtful solutions. You made me feel supported and confident at every step, and that's rare. Your professionalism and ability to navigate complex situations with clarity made all the difference. Thank you again for making this experience so smooth and positive."

Progress update - Colney Hatch Lane

An exciting milestone is approaching for XP Property as their impressive extension and conversion of an existing HMO property into nine luxury flats nears completion. Working in close collaboration with Aura (architects) JPD was commissioned to deliver this luxury scheme. The development blends thoughtful design with high-end finishes to create contemporary living spaces throughout. The penthouse and show flat are now in the final phase of staging, bringing the vision to life and offering a first glimpse of the exceptional quality soon to be unveiled.

JPD Events

We hosted a joint client dinner in the Wine Room at The Savoy Hotel with architect Adrian Manea of Manea Kella and various industrial leaders. The evening offered a great opportunity to meet new clients and reconnect with existing ones, while discussing ongoing collaborations and future possibilities. It was a warm and engaging setting; we look forward to continuing to build on these relationships.
